Specifics

Back covering parts:

All parts are equipped with the relevant original covering at the back.

Seat heights:

The model is available in different seat heights (depending on the kind of leg).

Legs:

Wood/metal legs, available alternatively lacquered in different colours (see wood samples). Indicate the desired leg form on the order.

Casters:

Some ottomans can be equipped with casters against upcharge. Their item no. is marked with an "R". (e.g. G004R). Please note, that the casters can be ordered in 2 different heights.

Please indicate the desired caster on the order (F 6R - 10cm or F 7R - 13cm)

Ottomans:

The ottoman has an opening function with integrated storeroom

We recommend as accessory an item from the modell series 10006.

'Off the floor' items:

Off the floor items with or without one arm can't stand up on their own and need to be placed as following:

1. In connection with the support items: EF, KF06/07, FG06/07 or FP067/076.

2. In connection with the support leg Z (upcharge)

Planning sketch:

Due to the large variation possibilities, please send a sketch.

The connecting side is marked in red.

Connecting side:

Additional charge: Connecting side in original fabric (instead of lining)

Cover:

This style is available in plain fabric and leather.

Please note:

The appearance of decorative, fell or double seams depends on the fabric or leather design. Manufacturing processes may lead to seams being absent in the fabric version or being replaced by simple seams.

Dimensions (cm):

Dimensions are approximate for: width/depth/height and seat height.

Seat depth: 58cm / Back height: 82cm / 93cm in ratched action.

The dimensions given in the sketches refer to the footheight of 10cm.

Note: The model has consciously been "casually"made. Formation of folds is desired.

Function:

All elements have an armpart-/back with function.

The articles PF 06/07 can be ordered with an additional manually operated pullout seat (article no. A01) against upcharge. Total depth, if pulled out 124cm.
