Leg colours:

Wood legs an wood-/metal legs, available alternatively laquered in different colours (see wood samples). Indicate the desired leg form on the order.

Some ottomans can be equipped with casters against upcharge. Their item no. is marked with an "R" (e.g. G 150R). As storage place we recommend for the ottomans the plexiglas covering L 010 or a mat model number 10006.

Accessories:

We recommend as accessory an item from the model series 10006.

The appearance of decorative, fell or double seams depends on the fabric or leather design. Manufacturing processes may lead to seams being absent in the fabric version or being replaced by simple seams.

Contrast stitch:

This model is available in several leather qualities and respectively in several leather colours with optional contrast colour stitching. When ordering, always indicate the contrast stitch number. Otherwise the order will be produced with matching coloured thread.

Dimensions (cms): Dimensions are approximate for: width/depth/height and seat height. Seat depth: 54/71 cms.

Caution: The model has been given a deliberate casual look. This means that folds may develop depending on the model.
