W.SCHILLIG

Legs:

F 27 F 26

Frame:

Metal frame

Legs:

Wooden base with metal band F27,
wooden leg F 26

Lower suspension:

High quality dual springs

Seat:

Seating foam with mat covering
made of high density polyester fibres
and foam sticks.

Back suspension:

Elastic webbing

Back:

High density polyester fibres and
foam sticks

Specifics

Back covering parts:

All parts are equipped with the relevant original covering at the back.

Legs:

Wood-/metal legs, available alternatively lacquered in different colours (see wood samples). Indicate the desired leg form on the order.

Seat and back heights:

The model is available in two different seat and back heights (armpart heightening).

Accessories:

As storage place for the ottoman we recommend the plexiglas cover L 010 or a rollable mat from the modell series 10006.

Headrest:

The flexible headrests (depending on the width of seat) can be individually inserted between the back of the body and the back cushions for all elements.

Please note:

The appearance of decorative, fell or double seams depends on the fabric or leather design. Manufacturing processes may lead to seams being absent in the fabric version or being replaced by simple seams.

Contrast Stitch:

This model is available in several leather qualities and respectively in several leather colours with optional contrast colour stitching. When ordering, always indicate the contrast stitch number. Otherwise the order will be produced with matching coloured thread.

Dimensions (cm):

Dimensions are approximate for: width/depth/height and seat height, depending on a

feet

height of 1,5 cms.

Seat depth = 51 cms.

Armpart height = 56 cms.

Note: The modell has consciously been "casually" made. Formation of folds depends on the

modell.

Adjustable seat and back

The items with "F" have an adjustable seat and back which can be adjusted manually.

By pushing against the back, the backrest moves back into an adequate position, at the same time

the seat moves forwards.

Total depth when seat moved: 116cm

Projecting to the front: 10cm

Projecting to the back: 20cm

Additional accessories can be ordered in

connection with the adj. seat and back against upcharge:

- Adjustable with gas cylinder
- Adjustable with electrical motor
