## Specifics

### Back covering parts:

All parts are equipped with the relevant original covering at the back.

### Seat heights:

The model is available in different seat heights (depending on kind of leg).

### Feetselection:

Must be indicated.

A change in the feet height effects the seat and the back height.

### Legs:

Wood-/metal legs, available alternatively lacquered in different colours (see wood samples). Indicate the desired leg form on the order.

### Ottoman:

**As storage place for the ottoman we recommend the plexiglas cover L 011 from the modell series 10006.**

### Headrest:

The headrest U 92 can be individually inserted between the back of the body and the back cushions.

### Connecting side:

Available against upcharge: connecting side in original fabric (instead of lining)

### Please note:

The appearance of decorative, fell or double seams depends on the fabric or leather design. Manufacturing processes may lead to seams being absent in the fabric version or being replaced by simple seams.

### Contrast Stitch:

This model is available in several leather qualities and respectively in several leather colours with optional contrast colour stitching. When ordering, always indicate the contrast stitch number. Otherwise the order will be produced with matching coloured thread.

### Dimensions (cm):

Dimensions are approximate for: width/depth/height and seat height and refer to the foot height of 15cm.

Seat depth: 54cm, seat depth KL 069/079 = 157cm

**Note: The model has consciously been "casually"made. Formation of folds is desired.**
