Elastic webbing

Back:

High density polyurethane foam, dacron

Legs:

F 44

Specifics

Please note:

The appearance of decorative, fell or double seams depends on the fabric or leather design. Manufacturing processes may lead to seams being absent in the fabric version or being replaced by simple seams.

Contrast Stitch:

This model is available in several leather qualities and respectively in several leather colours with optional contrast colour stitching. When ordering, always indicate the contrast stitch number. Otherwise the order will be produced with matching coloured thread.

Dimensions (cm):

Dimensions are approximate for: width/depth/height and seat height. Seat depth: 56cm, armpart height: 59cm

Note: The model has consciously been "casually" made. Formation of folds is desired.

Against upcharge = DeLuxe Function (adjustable seat and back including footrest function):

All elements can be equipped with an adjustable seat and back with footrest function which can be adjusted manually. Depth if footrest folded up: 143cm/seat depth 96cm. Depth if the back is additionally completely lowered down: 173cm/seat depth 96cm.

Additionally Options (only in connection with the DeLuxe-Function):

- Adjustable with gas cylinder
 - Adjustable with electrical motor / with or without storage battery
 - Adjustable with double motor / with or without storage battery
- (in choosing this option the back can be adjusted independently from seat and footrest)

Movable armrest with ratchet function ST:

Only for DeLuxe Function, the movable armrest with ratchet function ST can be inserted in all types.

Adjustable headrest:

The headrest with function is integrated in the DeLuxe Function.

Please note:

All models with remote control have a magnet fixed under the covering of the left armpart. So the remote control can be fixed magnetically onto the outside of the armpart.
