Noble tripod base frame

The MDA, MDB and MDC chairs have a quadpod leg which can be equipped with a swivel function (item no. DDB) or swivel function with return spring (item no. DRF) for surcharge.

**Contrasting thread**

In some leather and fabric colours this model can be supplied with a contrasting-coloured thread, at no surcharge.

**Combined covers**

This model can also be supplied in combined covers and combined cover colours. See order information.

**Order information****Seam appearance:**

Decorative, felled or double seams may appear different in fabric and leather versions. For manufacturing reasons, seams may be left out of the fabric version or replaced with simple seams.

Back sides of sofas:

All pieces are genuinely upholstered at the back.

All of the dimensions given are approximate dimensions in cm. We reserve the right to make changes. Dimensions are given as follows: width/depth/height/seat height.

The measure of width and depth does NOT include the possible protruding of the base of the tripod leg and the sled leg.

Seat depth:

chair easy approx. **42 cm**

chair trendy approx. **45 cm**

chair comfort approx. **48 cm**

Contrasting thread:

This model is available in leather and some fabric colours with contrasting colour thread on request at no extra charge. You will find the specified colours on the cover sheet of the individual leather qualities in our fabric/leather trolley. Please always state the contrast thread number, otherwise it will be delivered tone in tone.

Model-specific qualities:

The upholstery of this model has intentionally been made loosely to create a certain visual effect. This is not a quality defect but a model-specific characteristic that guarantees optimum seat comfort.

Combined covers:

The chairs can also be supplied in a combination of different

cover qualities. This is shown at the price list.

Price 1: back outside

Price 2: seat and back inside

Load-bearing capacity:

A maximum load-bearing capacity of this chair up to 120 kg is guaranteed.

Order checklist

- Item no.
- Cover (combination available)
- Swivel function (surcharge)
- Swivel function with return mechanism (surcharge)

Upholstered furniture frame structure

- 1. Frame** – metal frame foamed in cold foam
- 2. Seat and back upholstery structure** - foamed metal frame with diolen cover

Upholstered furniture made with passion.

Your model is the product of German design and engineering. The family-owned company W.SCHILLIG has more than 70 years' experience of technical skill, trend-setting ideas, attractive design and know-how from Germany. The result is upholstered furniture that guarantees first class comfort and attention to detail. We keep sustainability and protection of resources in mind when choosing the materials we use.

The RAL quality mark for furniture stands for the certain knowledge that this is a non-hazardous piece of furniture of reliably high quality and with an attractive design. The Deutsche Gütegemeinschaft Möbel makes sure of this with numerous tests. Inspections also safeguard the testing system.

The highest European accolade for systematic, in-house, environmental management. Improvement of environmental protection services.

quadpod leg swivelling with return back mechanism F Z4

- for the chairs MD..., in black powder-coated, **for surcharge**

skid F K5

- for the chairs MX..., in black powder-coated

Legs and floor protection:

In case of very slender furniture legs with deliberately filigree shapes and with small surfaces, it comes to a raised pressure on the floor. We recommend felt pads or another suitable mat as protection for scratches and pressure points in connection with sensitive and/or soft floors. Even if you barely move the furniture, it can be helpful to have a carpeted floor.

Powder-coated:

The colour M99 black is powder-coated.
